NS United Kaiun Kaisha Joined Maritime Anti-Corruption Network (MACN)

NS United Kaiun Kaisha Group (“NSU Group”) hereby announces that we have joined the Maritime Anti-Corruption Network (MACN^{*1}) as of October 7, 2024.

MACN is a global business network dedicated to working towards a corruption-free shipping industry through fair trade for the benefit of society as a whole. Established in 2011, the network has more than 200 members worldwide and works with stakeholders, including government officials, NGOs and civil society, to identify and mitigate the root causes of corruption in the shipping industry.

In January 2023, the NSU Group formulated the "Anti-Corruption Basic Policy^{*2}" to strengthen compliance. As a good corporate citizen, NSU Group will continue to conduct fair business activities, make further efforts to prevent corruption in the maritime industry, and work to create a sustainable society while earning the trust of all stakeholders.
