Notice Concerning Reorganization of Our Department

NS United Kaiun Kaisha, Ltd. hereby announces that we will reorganize the Environment Conservation Promotion Group and the Technical Management Team of the Ship Management Group as outlined below.

This reorganization aims to integrate the Company's environmental initiatives with technical management functions, thereby enhancing operational efficiency and strengthening organizational capabilities to ensure more effective and consistent management.

Effective June 25, 2026

- The Technical Management Team of the Ship Management Group and the Environment Conservation Promotion Group will be integrated into a single group.
- The new group will be named the Environmental & Technical Management Group.
