## NSU MILESTONE Achieves Seven Consecutive Years of "No accidents, No casualties, and No illnesses"

Since 2014, NSU has an internal commendation system for vessels\* that have achieved "No accidents, No casualties, and No illnesses" on board for an entire year.

Since the establishment of the system, we have presented certificates and commemorative gifts to eligible vessels every year to express our gratitude to the crew for safe voyages and to continuously raise awareness of safety on board.

In FY2021 (April 1, 2021 to March 31, 2022), NSU MILESTONE, one of the 12 vessels eligible for the award, achieved seven consecutive years of "No accidents, No casualties, and No illnesses" operations since FY2015, and the crew of the vessel received a certificate and commemorative gift.

We would like to express our gratitude to the crew for their daily efforts to ensure safe operations, and we will continue our efforts to further raise safety awareness on board.

\* The award was presented to a ship under NSU management that has not suffered any marine accidents or off-hire, and whose crew members have not suffered illness or occupational accidents that required disembarkation, during its operation for one year.
