NS United Kaiun Kaisha, Ltd. hereby announces that we newly establish a division to tackle with key challenges: environment preservation and technological innovation, striving for enhancing NSU brand strength. Our group adopted these challenges as key sustainable issues under our medium-term business plan “Forward 2030 -Driving U forward over the next decade-” started this fiscal year.

(Effective October 1st, 2020)

Name of New Division:

Environment Conservation Promotion Group, Environment Conservation Promotion Team
(One group, One team)

Purpose:

To engage in promotion of environment preservation efforts including reduction of greenhouse gas emissions, of NS United Kaiun group as a whole.
